

C122N

MARCUS FERREIRA, 2021

Montado sobre uma única estrutura metálica, o sofá reúne braços, encosto e assentos em blocos independentes que convidam ao descanso. A proposta desconstrói o sofá tradicional e remonta seus elementos em uma composição leve, conectada pelo conforto e pela elegância. Disponível em versões para áreas internas e externas.

TIPOLOGIA

Indoor Sofá, Chaise.

COMPOSIÇÃO

Base Aço carbono.
